

AppleScript ausführen

```
tell application "Finder"
    set mySongs to selection
    set mySongs to (sort mySongs by name)
end tell

    set mySongs to the reverse of mySongs

tell application "iTunes"
    activate
    repeat with i from 1 to number of items in mySongs
        set thisSong to item i of mySongs
```
